PUBLIC PARTICIPATION

Mel Post, 1421 Roundpointe Drive, Haverstraw, NY thanked the Supervisor, Mayor Kohut and Assemblyman Ken Zebrowski for all the letters they wrote regarding the Westside Ave. and Gurnee Ave. intersection. I wish there was a better resolution - more needs to be done. Also, Tilcon - I spoke to you before about this matter - the pile of fine ash is getting larger. In August of 2012, I met with the plant supervisor of Tilcon, Mr. Pool to discuss some of the issues such as dust, pebble and the fine ash that keeps blowing through the entire community of Haverstraw. It's a terrible situation. We had a meeting with Mayor Kohut, and John Cooney, the Director of Tilcon. It was a very interesting meeting. John said that we are not going to move the pile and they have a legal right to have it there. They can try to hydro seed the pile. We were told, but no sure, that Mr. Ginsburg was supposed to build a berm with pine trees along the property line, which has not been constructed. He did indicate that they would look into hydro seeding.

GARNERVILLE, NY

Supervisor Phillips stated that it is referred to as “quarry ash” and it was used for roads, and fill for landfills. Because the economy is very bad, people are not asking for it. Tilcon used to sell the quarry ash and it was used at the landfill. They are not going to move it and I am hopeful Tilcon will hydro seed the pile. I will ask Mayor Kohut to call Mr. Cooney.

Mel Post, 1421 Roundpointe Drive, Haverstraw, NY asked who is responsible for the berm. The berm would never be high enough. Tilcon wants to be a good neighbor and we want to give them a chance to sit down and talk about this issue. If they don’t want to, the press will be involved. There has to be some remedy. They have to water it down and they don’t water it down. Maybe we can put together a meeting.

Supervisor Phillips stated that he will ask for a meeting and will call the Mayor.

Mel Post, 1421 Roundpointe Drive, Haverstraw, NY thanked the board for their help.
