

Dear Parents/Guardians:

My name is Phil Reicherter and I will be taking over as Camp Director for the Town of Haverstraw. I have been with the camp for roughly 13 years and just love working in a camp setting helping kids have an enjoyable summer camp experience; which they certainly all need☺

We are so incredibly excited to Welcome Back campers to the Town of Haverstraw Day Camp 2021!! This summer is going to look a bit different than in years past. Typically we go on a trip just about every day at camp; however; many of the trips that we go on are still not taking group reservations. Next summer (2022) we will start adding back in some of the trips that we couldn't get to this summer.

In light of this; we will look more like a traditional day camp this summer with some trips scheduled. Wednesday will look like they always do: we will split these days between Bowline and Hi-Tor Lanes for bowling. Tuesday's will continue to be movie day for the lower camp and Friday will continue to be movie day for the upper camp. The movie theater we will be using this summer is Washington Township Cinemas; they have 2 theaters being used for new releases and 1 to be used to show a DVD; if needed. They fully anticipate being at 50% capacity by July which would provide ample room for our camp to attend. We will also be attending a Boulders baseball game and going to Darlington Beach in Mahwah. In addition to these trips we have other activities being brought to the camp; including an ice cream truck that will come weekly and a magician's show as well as one or two others. Please reference the camp calendar and weekly description sheets to see when events are and how much money each activity will cost. We also plan on having a Snack Shack this summer that will offer some basics like water; juices; chips; pretzels; etc. This will be paid for by the individual campers with cash at the time of purchase.

Please note that all COVID protocols will be followed and on this note; PLEASE keep your children home from camp if they have a fever of any kind. If after taking their temperature at the school they are found to have a fever; you will be called and asked to come pick them up. I realize this summer will have some growing pains and I have no doubt that together we can and will make our Town Camp a huge success.

Sincerely,

Phil Reicherter
